

## **REGION III ICC MEETING MINUTES**

### **August 7, 2006**

Introductions were made.

The November meeting date was changed to November 20, 2006 from November 6, 2006 due to training in Bismarck that several of us will be attending.

#### **Upcoming training:**

There will be training on the new transition guidelines that will be focusing on early intervention services to the school system at age three. Training will be held throughout the state with Region 3 scheduled on October 9, 2006.

The Crossroads Conference will be held on November 6-8, 2006 in Bismarck. This will be training for the Experienced Parent, Vocational Rehabilitation counselors, Infant Development staff, and DD case managers.

There will be pre-conference focusing on autism at the Family Connections Conference. No dates were available.

#### **Experienced Parent:**

Marcia provided information regarding the activities that she has been involved with regarding the Experienced Parent Program. Marcia has completed her new brochures.

#### **Right Track:**

There was discussion about the Right Track budget. The screening tool that is used at this time will be changed to the Battelle.

#### **LR KIDS:**

Nancy reported on the LR KIDS statistics. The program continues to grow. The Oregon Assessment will be used to assess progress with the children in the program.
